Welcome

A very warm welcome to all competitors, officials, coaches, marshals and spectators to the 2018 Shropshire County Age Groups Competition. The County Committee have worked hard over the last few months to provide a good competition for all entrants. I would also like to welcome the President of Swim England, Richard Whitehead, and his wife Sue, who will be joining us on Saturday 13th January. I know that we will all make them both very welcome during their time with us.

I would like to thank the eleven clubs that are affiliated to Shropshire ASA for their input at the planning stages, their help with entries, and their support during the nine galas that make up these Championships. All the clubs have been involved both prior to the galas, and in the many roles that need to be undertaken to make everything happen on the gala days. The roles are many and varied, and without all the help that we receive these Championships could not take place. We have our fantastic team of officials, the results desk, runners, marshals, announcers, front desk, catering and medals desk to name but a few. Thank you all for giving up your time. Thank you also to the staff at Wolverhampton Central Baths for their help, they have been very supportive and gone out of their way to help us with the running of these galas.

To all the competitors, I hope that you enjoy the competition, have some great swims and personal best times. Parents and guardians – thank you for all the support that you give the competitors – not only at competitions, but the daily, weekly and monthly taxi and support service that you provide to the swimmers. Coaches, thank you for bringing your swimmers to these Championships, and your support in the lead up to the galas. It is much appreciated.

Our raffle during these Championships has some wonderful prizes donated by the competing clubs. It's in support of a wonderful charity, CRY for Matthew, that provides heart screening for those aged 14 – 35. Some of our swimmers have benefited from these screenings, and we ask you to dig deep in support of this great cause. Sue Dewhirst (Matthew's Mum) will be with us on Saturday 13th January to answer any questions that you may have.

I hope that everyone enjoys these Championships – if you want to get involved with Shropshire ASA in any way please speak to one of us – we are a friendly and approachable lot, and welcome support from anyone.

Louise Barnes
Shropshire ASA President

SEATING PLAN

Shropshire ASA Development Programme

As you may be aware, British Swimming introduced a new scheme last year in an attempt to improve the prospects of future success at international level. The new scheme was produced following a major review of swimming in the UK after the 2012 Olympics. This review was conducted by Swim England/British Swimming staff, Home Nations Performance staff and former Olympic coaches and athletes and a few of the outcomes were:-

- A fundamental lack of technical excellence within our developing young swimmers.
- Stopwatches being the main driver rather than technical skill development.
- Too much focus on junior outcomes.
- Inability of our best senior swimmers to perform skills to a high level under pressure.

In order to address some of these issues the England Programmes team introduced a new performance pathway to help all swimmers to reach their full potential whilst also giving an opportunity for coach education and development.

The first step on the pathway starts at county level. All counties are now standardising their County Championship format, and Shropshire ASA have made changes to the programme over the past 2 years so that this year we have now captured all essential requirements within the scheme.

With the County Championship structure in place the next stage is to follow the England Programmes pathway for the swimmers and coaches. At County level we are required to target the 11 year olds (age at 31st December) and invite the top 18 boys and 18 girls to three development camps during the year. The selection is based solely on Swim England Rankings data following completion of the County Championships.

I, as Shropshire ASA's Head Coach for this scheme, have attended training sessions with England Programmes staff so that again all counties are effectively singing from the same hymn sheet. The development camps are aimed at technical skill promotion for the swimmers and also an education opportunity for the skills coaches who will come from clubs within the county, with an aim of taking the messages back to their home club.

This will be the second year that we have run this programme. All those involved in the 2017 programme found it very useful and interesting according to the feedback from swimmers, parents and coaches. The 2018 programme will, in the main, follow the same structure with only minor changes, and so will hopefully be as successful as last year.

To explain in further detail we will be having a Parents Workshop during the County Championships on Saturday 20th January during the lunch break, exact time to be advised. This will also give an opportunity to ask any questions about the programme. This workshop is solely for parents of the current 11 year olds within the county (age on 31st December 2018) including any parents of swimmers who may for some reason not be competing that weekend.

Should you have any questions regarding the new Performance Pathway, Development Camps or any other related matter you can contact me on coach@shropshireasa.co.uk or look out for me during the County Championships.

Best regards

Gary Barnes Shropshire ASA Head Coach
